GRRE 293.9

SUBJECT: Non-Recoverable

TO: Non-Recoverable Board, AGRC

1. It is recommended that the Board take action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing In Action or Killed In Action during ground air or naval operations in the department of Manche, France, from the period of 5 June 1944 to 15 August 1944. Extensive area searches as well as individual investigations have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of the Manche, have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Manche department, for the most part, consists of farm and pasture land which has been under constant cultivation and daily use since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore only be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide evidence, and the lack of association with recovered unknowns would tend to substantiate these

GRRE 293.9

SUBJECT: Non-Recoverable

conclusions. It is recommended that the remains of the individuals listed in these Board Proceedings be considered Non-Recoverable under the provisions of paragraph 3b, Letter, Office of The Quartermaster General, file QMGMP 293, Subject: Processing Board Findings of Non-Recoverability Return of World War II Dead Program, dated 25 March 1949.

Reference is made to: OQMG Forms 371; After Action Reports, and Casualty Clearance Plan, concerning each decedent; Reports of Field Investigations previously forwarded to The Office of The Quartermaster General, pertaining to resolved casualties who were killed in action in the department of Manche, France: On file in the Office of The Quartermaster General, Washington, D. C.

2. It is recommended that the remains, based upon the above information and research, be declared non-recoverable.

AG 201 Brandhorst, Richard J.
(10 Nov 49) 15 054 574

IML/jb/10676/10653

10 November 1949

MEMORANDUM FOR RECORD:

SUBJECT: Review of Circumstances Surrounding the Disappearance of
Pvt Richard J. Brandhorst, 15 054 574.

1. ITO Shipment No. 175 reported that Pvt Richard J. Brandhorst, 15 054 574, Inf, Co E, 10th Inf Regt, was missing in action in France on 30 July 1944. Under the provisions of Section 5, Missing Persons Act, a Finding of Death was issued for Private Brandhorst, setting the presumed date of his death as 31 July 1945. (SR&D No. 3703).

2. Private Brandhorst was with his company on 30 July 1944 when it participated in an attack to gain the high ground near Montaign, which is approximately eleven miles southeast of St. Lo, France. He was a member of a squad sent out to protect the right flank of the company during the attack and was last seen as he left for his post on the right flank. A search was made of the area the next morning and on 2 August 1944, but no trace of Private Brandhorst was found.

3. Private Brandhorst has never been reported as a prisoner of war by any source. The Office of The Quartermaster General has no burial report for him on file at the present time.

4. Since nothing definite is known regarding the loss of Private Brandhorst and the possibility exists that he was captured and died later, a report of death under the provisions of Section 9 of the Missing Persons Act cannot be justified at this time.

Dear Mrs. Brandhorst:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your son, Private Richard J. Brandhorst:

1 Carton and contents.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances preventing this letter, and wish to express my hope for the safe return of your son.

Yours very truly
