(PLEASE READ EXPLANATION ON REVERSE SIDE BEFORE COMPLETING FORM)

NAME OF DECEDENT	GRADE	SERIAL NUMBER	COMPONENT
I certify that the sum of \$ _____ was paid by me from personal funds in connection with the transportation of the remains of the above named decedent from and to the following places:			
INSERT CITY OR TOWN (OR ADDRESS NOT IN A CITY OR TOWN) FROM WHICH REMAINS WERE SHIPPED		INSERT NAME AND LOCATION OF NATIONAL OR POST CEMETERY TO WHICH REMAINS WERE SHIPPED	
INSTRUCTIONS TO PERSON SIGNING THIS FORM 1. Fill in as required and sign four copies. THIS FORM NOT TO BE SIGNED BY FUNERAL DIRECTOR. 2. Return four copies to:		SIGNATURE OF CLAIMANT	
		ADDRESS OF CLAIMANT (City, Street or RFD, and State)

EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

John Gula

Williamansett, Mass.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2. below.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mr. John Gula

Dear Mr. Gula:

Reference is made to the "Request for Disposition of Remains" form regarding the return of the remains of your son, the late Sergeant John F. Gula, with the remains of his brother, the late Technical Sergeant Stanley J. Gula, to the United States for final interment.

I wish to advise you that this form has been accepted for the simultaneous return and burial of the remains of your sons in the Mater Dolorosa Cemetery, South Hadley, Massachusetts. It will not be necessary that you complete another form for your son Stanley J. Gula, as one form is sufficient for both sons.

Please be assured that the remains will be returned simultaneously, and you will be notified well in advance of the actual delivery in order that all necessary arrangements may be made.

May I extend my sympathy in the loss of your sons.

Sincerely yours,

E. V. FREEMAN

Mr. John Gula  
11 Canal Street  
South Hadley Falls, Massachusetts

Dear Mr. Gula:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you some time ago requesting you to complete and mail the Request for Disposition of Remains Form.

Since no reply has been received, you are again respectfully requested to return this completed form at the earliest possible date in order to avoid any unnecessary delay in the final disposition of the remains of your loved one.

Due to the tremendous amount of work involved in carrying out final burial arrangements for all deceased Americans of World War II, this program must proceed cemetery by cemetery in each area of the world.

The cemetery in which the remains of your loved one is buried is scheduled for processing in the near future. In the absence of any reply from you by that time, the War Department will assume that you have no objection to the final burial of the deceased in U.S. National Cemetery, Honolulu, Hawaii.

Sincerely,

G. A. HORKAN

Dear Mrs. Gula:

A letter has been received in your behalf from Mr. William A. Stack, Veterans Service Department, Holyoke, Massachusetts, regarding your change in decision as to the final resting place of the remains of your sons, the late Sergeant John F. Gula and Technical Sergeant Stanley J. Gula.

It is the policy of this office to simultaneously return the remains of blood relatives to the final resting place in the United States upon the request of the next of kin, providing the cemetery designated by the next of kin is the same for each decedent concerned.

I am inclosing a new "Request for Disposition of Remains" form which should be properly accomplished by your husband and returned to our office at the earliest practicable date in order that official action may be taken.

It will be necessary that he indicate on Page 4, under "Remarks" column, that he desires to have the remains of his son Stanley J. Gula, now interred in Plot K, Row 5, Grave 12, in the United States Military Cemetery Brookwood, England, returned simultaneously with his son John F. Gula, now interred in Plot 2, Row S, Grave 9, Schofield Barracks Cemetery, Territory of Hawaii.

My sincere sympathy is with you in your great loss, and if we can be of further assistance, do not hesitate to contact us at your convenience.

Gentlemen:

We are calling your attention to the request for disposition of remains in the case of two brothers, T/Sgt Stanley J. Gula, Plot K, Row 5, Grave 12, United States National Cemetery Brookwood, England, Army Serial no. 11,033,994 whose application was filed May 15, 1947. Also to the case of Sgt. John F. Gula, Plot 2, Row S, Grave 9, Schofield Barracks Cemetery, Territory of Hawaii, Army Serial no. 31,157,529 whose application was filed April 22, 1947.

In the original application for burial in the case of these two brothers, it was the determination of the parents of these boys that they should be buried side by side in a national cemetery located at Long Island, N. Y. However, since the filing of the application for interment, the mother of these two boys has met with an accident, and it will be quite impossible for her to visit this national cemetery in Long Island.

She now requests that these two bodies be delivered to Holyoke, Massachusetts for burial in Notre Dame Cemetery, South Hadley, Massachusetts. She is of the opinion, at this time, that John's body is about to arrive from Territory of Hawaii, and she is most anxious that when the body arrives, it be delivered to Holyoke, Massachusetts.

She has no idea, at this time, when Stanley's body will arrive, but as in the case of John, she wants that this body, too, be shipped to Holyoke, Massachusetts.

New forms are necessary to change the place of interment. We would ask that they be shipped to us immediately, but in the

Dear Mr. Gula:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

Dear Mr. Gula:

Inclosed herewith is a picture of the Schofield Barracks Cemetery, Territory of Hawaii, in which your son, the late Sergeant John F. Gula, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.
