Headstone: Cross
Margraten (Holland) U. S. Military Cemetery

Dear Mr. Burdge:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

MB

Dear Mr. Burdge:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Dear Mr. Burdge:

The Army Effects Bureau has received from overseas some personal effects of your son, Corporal Myron M. Burdge.

These effects are being forwarded to you in one package.

If, by any chance, the property has not reached you at the expiration of thirty days from this date, please notify me and tracer will be instituted.

The action of this Bureau in transmitting personal effects does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the soldier's legal residence.

I regret the circumstances prompting this letter, and wish to express my sympathy in the loss of your son.

SUMMARY COURT MARTIAL

Shelby Ohio

4-5-1945

Army Effects Bureau
Kansas City Mo.

Dear Sirs:

In answer to your letter of aprile
2-1945 - 287855 in which you
say a few items of our son cpl Myron
m Budge was being sent to us.
We received a packet comb and a
letter. Now if this is all. someone
is darn crooked. We happen to know
the circumstances of his death from
officials and our son was conscious
and in hospital at the time of his
death. So where are his important
belongings - such as wrist watch,
fountain pen and such. He just
wrote us a short time before he died
he was still using his pen and his
watch was keeping good time. If
these are the kind of people he was
fighting for. he gave his life in vain.
Nothing can make up for our beloved
son in material things - but I know
he would want us to have his belongings
and we would like to have them for
keepsakes. Our loss of our son was
a terrible blow - but to think some one

was low enough to steal his things
make us even more bitter.

Please advise if pocket count
and a letter were all that was
saved for us - so we can tell
the world. What the boys are
fighting for.
