BRONZE MEDAL

Authorized by Act of Congress.
Approved June 29, 1906. (1)

Albert Garinger,

formerly of 1st Nebr. Inf. Vols.

(1) An Act providing medals for certain persons. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of War be, and is hereby, authorized and directed to procure a bronze medal, with suitable device, to be presented to each of the several officers and enlisted men and families of such as may be dead, who, having volunteered and enlisted under the calls of the President for the war with Spain, served beyond the term of their enlistment to help to suppress the Philippine insurrection, and who subsequently received an honorable discharge from the Army of the United States, or who died prior to such discharge.

Approved, June 29, 1906.

The medals provided for by the Congress in the above quoted Act, are to be presented to those men, both of the volunteer and regular forces, included within its provisions, who were enrolled under a call of the President and served in the Philippine Islands in the Prosecution of the war with Spain. On April 11, 1899, these volunteers (the war with Spain being over) were entitled to be mustered out. A new war, however, that of the Philippine insurrection, broke out February 4, 1899. The Congressional Medal will be issued to the Spanish War volunteers, and men of the Regular Army entitled to their discharges under the provisions of General Order 40, Headquarters of the Army, Adjutant-General's office, May 10, 1900, who served beyond the conclusion of the Treaty of Peace with Spain, viz, subsequent to April 11, 1899, and who received an honorable discharge.

(2) The name of the soldier should be identical with that given on his discharge certificate; and where the soldier was enrolled and served under a different name than the one signed to the application, the fact should be explained in the blank space above the signature.

(3) It is important that the applicant supply fully and accurately all of the data needed to complete the within blank form concerning the military service rendered while earning the right to the Congressional Medal.

(4) To receive the consideration of the War Department any applicant must bear the official seal of the officer administering the oath, if he uses an official seal.

Sir:—

Some time ago I wrote to you concerning Philippine Medal. I received in reply a letter saying that the records showed I was entitled to the same. Also there was an identification blank which I filled out and swore to before a notary public who attached his seal. There was also the signatures of two reputable citizens who know me.

This was sent to you several weeks ago and I have heard nothing from it.
