Nothing should be written under the head of "Remarks" except what pertains to the man's history, such as promotions, reductions, courts martial, etc. In every case of transfer a note should be made in the proper columns as to a man's qualifications in marksmanship and the range fired on. The figures from 0 to 5, inclusive, representing six degrees, will be used to designate the man's ability in this respect.

NOTE.—To be sent to the Medical Officer in charge of the hospital when transfer is made. When patient is discharged from hospital or upon death or desertion, to be sent to the Commanding Officer of the Marine Barracks where his accounts, etc., are kept for continuous conduct record.

1. In recommending the character to be given a marine on discharge, the nature of his service during the entire period of his current enlistment, as shown by his descriptive list and conduct record, will govern, due weight being given to the markings of his former commanding officers and the opportunities possessed by such commanding officers for arriving at their conclusions, as indicated by the respective periods the marine served under them, being duly considered.

2. In no case will a marine who has been legally convicted by a court martial, and the sentence of such court been approved by proper authority, be recommended for character "excellent."

3. Commanding officers will also carefully consider the fact that the markings given the marine during his recruit service will necessarily not be excellent. Should commanding officers, therefore, give undue weight to such markings, only reenlisted marines could ever receive character "excellent."

4. The desired end to be obtained is that the character given the marine on discharge shall reflect and be exactly descriptive of the man's general service in the Marine Corps during the enlistment from which the particular discharge releases him.

G. F. ELLIOTT,  
Brigadier General, Commandant.

NOTE.—This book should be forwarded through official channels to the Adjutant and Inspector, U. S. Marine Corps, at the expiration of the soldier's enlistment, also in case of desertion or death. Should a deserter surrender or be taken, application will be made at once to the Adjutant and Inspector for his record.

When a man deserts, or is apprehended or surrendered, the word "deserted," "apprehended," or "surrendered" will be entered over the date in the column headed "Transfer."

In every case of transfer a note should be made in the proper place as to a man's qualification in marksmanship and the range fired on.

In making entries in this descriptive book the strictest economy of space must be observed and no blank lines should be left between entries.

C.O. Marines to B.G.C., recommending that Sergeants Cornelius F. Mahoney and Fred B. Hoyt be reduced to privates. At midnight on the 31st ultimo, the usual noise incident to the arrival of the New Year was indulged in by men in Quarantine Camps No. 1 & 2, this noise became so prolonged and riotous that the officer of the day found it necessary to go to the Camps to suppress it, he found a party of men under the influence of liquor engaged in trying to pull down tents and otherwise riotous. The N.C.O's referred to were up, and I am confident that they were both cognizant of the presence of liquor in the camp and partook of it to such an extent that they were both under its influence. Neither made any attempt to suppress the disorder or assist the officer of the day in doing so. If tried by S.C.M. they would only be reduced to corporals. Believes their usefulness as N.C.O's is destroyed and requests their reduction.

Lieut. Col. C.A. Doyen to B.G.C. Pvt. Hoyt's statement is in the main misleading and partly incorrect as I gave Pvt. Hoyt full reason for my action when I first placed him in arrest for trial by S.C.M. at office hours; his recollections are no doubt hazy as he was noticeably under the influence of liquor and had no other reason existed I would have relieved him from guard. This disturbance referred to began at midnight and lasted till about 12.20 and the Officer of the Day reported to me that no sergeant appeared, to give him any assistance but that Sergeant Hoyt was with the crowd engaged in riotous proceedings. I do not recommend his reinstatement.

Sir:

I am in receipt of your letter of this

date, relative to transferring Sergeant Fred B. Hoyt to the Philippine Islands for duty.

Only two sergeants will be sent with the detachment which is to sail on June 5th, and they have already been detailed. Sergeant Hoyt could not be detailed without doing them an injustice, particularly in view of the fact that he has had 23 months of foreign service to his credit in his last enlistment, and the two sergeants who have been detailed have had none.

I regret that, in view of the circumstances, I cannot take favorable action on your request.

Very respectfully,

W. P. BIDDLE.

January 14th, 1908

At about 12.15 a.m., January 1st, 1908, I heard a disturbance in a nearby company street and went there, where I met the Officer of the Day, who then had a man under arrest for having created the disturbance. He notified me that I might be wanted as a witness if there was an investigation. In the morning I asked the Officer of the Day if I would be wanted as a witness and he said no, after which I mounted guard and attended office hours as Sergeant of the new guard when I was relieved and placed under arrest awaiting trial by S.C.M. The next day I was again called before the Commanding Officer and told that he had decided to change my punishment to a request for my reduction by order as he considered my usefulness in the post at an end. This was the only reason I ever had for my arrest as I was never notified of any charges or given any opportunity to explain. After being put under arrest I asked the Officer of the Day what the charges were and he said he did not know as he had not made any against anyone but the man he had arrested.

## REMARKS:

1<sup>st</sup> Sergeant F. B. Hayt. would probably give reasonable satisfaction as a duty Sergeant, but is not qualified for the duties of a first Sergeant. He is utterly unreliable even in the simplest of office work. Lacks zeal and is lazy as well as stupid. His character and conduct are very satisfactory.

"Vermont", February 17, 1914.

Marine Off., to C.O., recommends that Sgt. Jackson be transferred from this ship.

He is now awaiting result of S.C.M. for being absent without leave. It is believed inadvisable to have a man begin his duties under these circumstances.

The medical officer states that Jackson has large varicose veins on his leg, and could not perform duty with landing force.

If it is impracticable to order 1st Sgt. Moerk to this detachment, it is recommended that 1st Sgt. Fred B. Hoyt continue his present duties.

1st end. C.O., to Med. Off. for comment on 3rd paragraph.

2nd end. Feb. 18-14. Med. Off., to C.O., Jackson has large varicose veins of both legs which incapacitate him for the proper performance of the duties of a 1st sergeant of a landing force.

3rd end. Feb. 20-14. C.O., to M.C.C.? Jackson was tried by S.C.M., and sentenced to be reduced to Sgt. In view of his excellent record and the recommendation of the Court to clemency the reduction was remitted.

In view, however, of the comments of the Med. Off., this request is forwarded approved.

Orders from the MGC, dated Mar 27-14, transferring 1st Sgt.F.B.Hoyt ashore, and assigning Sgt.Frank Patterson for duty as 1st Sgt. of the Marine Detachment aboard this ship, will effect an undesirable change in the personnel of the Marine Detachment, particularly when target practice is but a short time ahead.

1st Sgt.Hoyt has been training as gun captain of a gun crew and his transfer at this time would necessitate training a new man for this important position.

As I understand it, the detachment of 1st Sgt.Hoyt is the sequel to an unfavorable report of fitness which I gave him Dec 31-13. He has since taken a keen interest in his duties as 1st Sgt and I now find him satisfactory in the performance of his duties. In a letter, inclosure (A) par. 4, the undersigned recommended that Hoyt continue his present duties.

In view of the above, it is recommended that no change of 1st sergeants be made at present.

If an allotment has been previously granted, the new allotment will be entered on the next space provided. In this connection attention is called to Article 1101 (1), Navy Regulations, 1909.

2. In all cases where the grantor of an allotment registered by pay officers of the Navy joins foreign shore stations of the Marine Corps, commanding officers will fill out this form from data contained on transfer pay account, but where such grantor joins shore stations of the Corps in the United States, it will not be necessary to fill out this form, except when advised by the Paymaster having the accounts (who will furnish the necessary data) that such allotment is to be continued.

3. When advised by the Paymaster that an allotment has been stopped for cause, note of that fact, giving date and reason, will be made in red ink and signed by the immediate commanding officer.

4. In the event of the death or desertion of the grantor of an allotment while en route to foreign station, the commanding officer of the detachment will at once notify the paymaster who has registered the allotment, using cable, if necessary. In other cases the provisions of Section 4, Chapter 24, Navy Regulations, 1909, will govern.

5. If the grantor is transferred during the period covered by an allotment, note will be made in red ink in the column "By whom registered" of the name of the pay officer or vessel to which his accounts were transferred.

## INSTRUCTIONS FOR GENERAL PAY DATA.

1. Entries will be made at the station where the accounts of a reenlisted man are first taken up for pay and, so far as possible, the entries will be verified from discharges in the man's possession, or such other authentic official data as may be obtainable.

(a) Under the heading "Prior Enlistments" enter the cause of discharge from each prior enlistment. Only such absence will be shown in the column provided for that purpose as affects a man's right to continuous service pay. The "Arm of service" will be briefly entered, "A," "N," or "M. C.," as the case may be.

### MARKSMANSHIP.

2. **Original qualification.**—When men qualify, after the words "Qual. as," enter "E. R.," "S. S.," or "M. M.," as the case may be, the date of qualification, and, when published, the number of the Marksmanship Qualification Order has been announced in Marksmanship Qualifications, Volume 1, or subsequent alphabetically arranged volumes, same should be noted instead of the order in which originally announced.

(a) **Qualification in prior enlistment.**—After the words "Qual. P. E. as," enter "E. R.," "S. S.," or "M. M.," as the case may be, the number of the Marksmanship Qualification Order announcing the qualification and the year of its issuance.

(b) **Failure to qualify.**—Should a reenlisted soldier in the first year subsequent to his reenlistment fail to qualify or qualify in a grade different from that held in his prior enlistment, the date (not inclusive) the soldier completes the record practice qualification course, and the new classification attained, if any, will be entered in the appropriate preceding space. (See M. C. Order No. 15, Series 1915.)

### PROMOTIONS AND REDUCTIONS.

3. Enter the kind of warrant given or revoked, as the case may be, e. g., permanent, temporary, recruiting, etc., the rank to which promoted or reduced, and the actual date of promotion or reduction.

### TIME LOST, MARINE CORPS ORDER NO. 15, 1914.

4. **Absence without or over leave.**—Under the headings "From" and "To," enter the date and hour from which and to which the man was absent without or over leave in excess of one day, and in the column headed "Days A. W. O. L.," the number of days of absence. Absence from or to 12.00 o'clock should be entered as noon or midnight as the case may be.

(a) **For causes specified in G. O. No. 100, Navy Department, 6-15-1914.**—Enter the date (but not the hours) from which and to which absent, and, in the column provided, the number of days of such absence.

(b) **While in confinement.**—Enter the date (but not the hours) from which and to which the man is in confinement awaiting trial or disposition of the case if trial results in conviction, and while in confinement serving sentence, and, in the column provided, the number of days of such absence.

(c) When a book is finally closed on account of discharge, death, or retirement, the total time lost for absence without or over leave, for causes specified in General Order No. 100, Navy Department, June 15, 1914, and while in confinement, will be entered in the space provided in the lower right-hand corner of the page.

(d) See Marine Corps Orders No. 11, Series 1915.

### ENLISTMENTS EXTENDED.

5. Enter the date on which the enlistment is extended and the date of expiration of such extended enlistment. (See M. C. O. 29, series 1915.)

### COURT-MARTIAL SENTENCES.

6. All court-martial slips (Forms N. M. C. 512, 512a and 512b) pasted in the book should be consecutively lettered (i. e., "A," "B," "C," etc.) and in order, as far as possible, in which they are inserted, and corresponding reference made after the words "See slips lettered."

### FURLOUGHS.

7. Enter the dates, inclusive, of all furloughs granted; also the number of days.

### ALLOTMENTS.

8. When an allotment is granted state in whose favor the allotment is registered, the monthly amount thereof, the number of months for which registered, the date of the first payment of the allotment (month and year), the name of the paymaster originally registering the allotment, and the ship or station of such paymaster. When an allotment is stopped or expires enter the last payment to be charged (month and year) and the cause of stoppage, e. g., "R. G." (request of grantor); "Tr. to U. S." (a) In the event of the death or desertion of the grantor of an allotment while en route to or from foreign station, the commanding officer of the detachment will at once notify the Paymaster, U. S. Marine Corps, using cable, if necessary. In other cases the provisions of Section 4, Chapter 39, Navy Regulations, 1913, will govern.
