THE REPLY TO THE INQUIRY WILL BE FOUND IN THE CHECKED ITEM(S). IF YOU WRITE TO US AGAIN ON THIS SUBJECT, PLEASE RETURN YOUR ORIGINAL REQUEST, THIS FORM, AND ANY OTHER FORM YOU COMPLETE.

☒ Copies of requested military ☐ personnel ☐ medical records are attached. We suggest you make an extra copy and guard against loss or damage. We regret if any photocopies may be of poor quality, but they are the best copies obtainable. *505*

☐ The attached separation document may include the following information: authority for separation, reason for separation, Reenlistment Eligibility Code, and Separation (SPN/SPD) Code. If you require a copy of the separation document that does not contain the above information, you may request a deleted copy from this Center.

☐ The Privacy Act of 1974 does not permit the release of a social security number or other personal information to the public without the authorization of the veteran concerned. Therefore, personal identifying data relating to other persons have been deleted from the attached documents.

☐ The Reenlistment Eligibility (RE) Code issued upon release from active duty on _____ is _____.

☐ The reason and authority for separation from active duty/discharge on _____ is _____.

☐ The record of service in the _____ indicates being in a POW status from _____ to _____.

☐ Military personnel, upon discharge from the Armed Forces, are issued discharge certificates. These certificates are prepared in the original only; therefore, copies cannot be furnished. The law does provide that upon presentation of satisfactory proof of loss (such as a signed statement), an honorably discharged veteran or the surviving spouse may be given a "certificate in lieu of lost or destroyed discharge." We are unable to issue a certificate in lieu to anyone other than as provided by law.

☐ The document you have requested, DD Form 214, Report of Separation, was not used until Jan. 1, 1950. However, a similar form was used at the time the person named above was separated. A copy of it is attached.

☐ When the person named above was separated, it was not the practice to issue a document which served as a report of separation.

☐ The original Report of Separation was issued at the time of separation. Another original cannot be issued. The attached copy, however, will serve the same purpose as the original.

☐ No Report of Separation was issued since the person named above had no active service, or less than 90 days of active duty for training.

☐ The service record of the person named above does not contain a copy of a Report of Separation, or its equivalent. Therefore, we are instead furnishing the attached NA Form 13038, Certification of Military Service. This will serve as verification of military service and may be used for any official purpose.

☐ The record needed to answer the inquiry is not in our files. If the record were here on July 12, 1973, it would have been in the area that suffered the most damage in the fire on that date and may have been destroyed. Fortunately, there are alternate records sources that often contain information which can be used to reconstruct service record data lost in the fire.

☐ The information used to prepare the attached NA Form 13038, Certification of Military Service, was obtained from an alternate records source. This certificate will serve as verification of military service and may be used for any official purpose.

☐ The enclosed copies of documents were obtained from an alternate records source.

☐ However, complete records cannot be reconstructed.

☐ However, these sources do not contain the particular type of information or document requested. We regret that we cannot be of assistance in this matter.

☐ We will attempt to obtain the required information from these alternate records sources if you will assist us by completing the attached NA Form 13075, Questionnaire About Military Service, to the best of your ability.

☐ In attempting to provide information from alternate records sources concerning illness or injury while in military service, we need additional information as to the approximate dates of illness or injury and the specific organization assignments (company, battalion, regiment, division, group, etc.) at that time. Please complete the attached NA Form 13055, Request For Information Needed To Reconstruct Medical Data, to the best of your ability.

When we receive the necessary data we shall promptly make every effort to reconstruct the requested information using the resources available.

☒ That portion of your request seeking medals/awards has been referred to the office checked below. That office has jurisdiction over the issuance of medals/awards. Any further correspondence on this subject should be addressed to that office.

☐ ARPERCEN, Attn: DARP-PAS-EAW, 9700 Page Blvd., St. Louis, MO 63132 ☒ Navy Liaison Office, Room 3475, N-314, 9700 Page Blvd. St. Louis, MO 63132

☐ The medical records you request ☐ The documents you request pertaining to discharge have been lent to the Veterans Administration and may be obtained from the VA office shown below.

☐ According to the provisions of DoD Directive 5400.11, we cannot release a portion of the medical records you have requested. They contain information that can be interpreted and explained properly only by a physician. If you wish us to send copies to a designated physician, please furnish us with the name and address of that physician. The request must include the service person's authorization for release of the records.
